

## *Community Partner Program*

**Invitation:** The Thurman Brisben Center, a *Place for Transformation*, invites your business\organization to become a community partner and supporter of the Center as it serves homeless women, children, and men for a third decade. As always, we thank our many existing partners for their faithful support.

### **Some examples of how community partners can support the Brisben Center:**

- Be willing to share information about Brisben's mission, successes, and volunteer opportunities with employees and with your public as opportunities occur.
- Serve a meal at Brisben, be on the needs response list, or help with a project or event at the center.
- Give Brisben the first opportunity to help organize and/or be a recipient of any sponsored charitable activity you plan.
- Provide a link from your website to [www.brisbencenter.org](http://www.brisbencenter.org).
- As an opportunity occurs, provide a discount on services, supplies or products.
- As an opportunity occurs in the normal course of business advertising consider a quick/short insert promoting being a Brisben community partner. (radio/newspaper/online)
- Consider assisting with a specific Brisben employment, transportation, or re-housing effort for a particular homeless individual or family.
- Consider donating a needed service or item.
- Support the Center financially.

***If you are willing to do 2 or 3 of the above items, or something similar during the year, we encourage you to become a recognized Brisben community partner. We are happy to meet with you.
